Report of the Board of Management.

One Hundredth Annual Report.

The Board of Management have pleasure in submitting their one hundredth Annual Report and Financial Statement for the year ending 31st December, 1932.

Statistics of Patients.

The statistics of patients treated during the year are as follows:—

Number of beds available	80
In-patients	1,461
Out-patients, attendances	2,652
Casualties and Dressings	4,005
Massage cases	3,961
X-Ray cases	1,572
Dental cases	677
Operations	1,030

A record number of in-patients has been treated during the year, and there has also been a substantial increase in the work of all departments. The following figures show the remarkable increase which has taken place in the work of the Hospital in the short space of ten years:—

	1922.	1927.	1932.
Number of in-patients treated	556	1,025	**1,461**

Every effort is made to avoid delay, and urgent surgical or accident cases have always been dealt with immediately.

Motor Accidents.

During 1932 seventy-one Motor Accident cases were admitted as in-patients. The estimated cost of their maintenance amounted to £622. The sum of £90: 10: 0 has been received from the Insurance Companies under the provisions of the Road Traffic Act, 1930, and the liability of the accident remained unsettled in 14 of these cases at the end of the year.

The Annual Accounts.

The total ordinary income for the year amounts to £11,428, compared with £11,776 in 1931.

Donations and Collections in places of worship have decreased.

Despite the increased number (172) of in-patients treated, and thanks to the exercise of the most rigid economy, the total ordinary expenditure amounts to £12,104, as compared with £11,904 last year.

Thanks.

The Board of Management desire to thank all subscribers, donors and collectors for their generous help during the past year.

Mayor's Appeal.

During the year the Mayor of Aylesbury (Alderman A. Rose) very kindly undertook to organise a special appeal on behalf of the Hospital.

The Aylesbury United Friendly Societies' Hospital Committee devoted all their efforts towards this Appeal, raising a total of £143: 10: 0; the Schools' Hospital Fete, etc., realised £102: 8: 0; and £137: 19: 7 was the result of numerous Whist Drives and Garden Parties.

Altogether the Mayor's effort produced a very satisfactory total of £372: 14: 9 after defraying expenses.

The Board of Management desire to place on record their deep sense of gratitude for this timely help.

"Bucks Herald" Wireless Appeal.

A successful appeal was carried out by the "Bucks Herald," under the direction of Mr. G. L. de Fraine, with the object of raising funds to defray the cost of extending the wireless installation to the new wards and improving the existing apparatus, which has now been in use many years.

The patients and staff have already derived great pleasure from the new installation.

Friendly Societies.

The Aylesbury United Friendly Societies' Hospital Committee rendered most valuable assistance with the Flag Day, and devoted all their efforts during the year to the Mayor's Appeal.

The sum of £8: 12: 4 was raised by the sale of Tinfoil.

The cot in the Children's Ward, distinguished with a tablet as the Tinfoil Collection Cot, is partly maintained by the proceeds of the sale of tinfoil.

Entertainments.

The Board are very grateful to all who organised entertainments to help the Hospital during the year.

Again Mr. Albert Fisher and his friends have beaten their own record with a total of £147: 8: 5 from their Annual Whist and Bridge Drives and Dance.

Contributory Scheme.

A few additional Contributory Scheme centres have been formed during the year, and the support from all the existing centres has been well maintained.

The following figures show the income received from this source during the past seven years:—

	£	s.	d.
1926	2,954	4	5
1927	3,526	2	9
1928	3,536	14	10
1929	4,176	7	2
1930	4,249	11	1
1931	4,456	15	6
1932	4,541	17	3

This very substantial contribution to the total income is obviously of vital importance to the Hospital, and the Board desire to record their sense of indebtedness to the local Secretaries and Collectors, who have rendered invaluable assistance in carrying on the Scheme.

Legacies.

During the year the following Legacies, free of duty, were received:—

The Executors of Mr. I. H. W. Abrahams, £10.
,, ,, ,, Lady H. C. Smyth, £200.
,, ,, ,, Mr. G. H. Landon, £100.

The generous thought of the testators in making provision in their Wills is deeply appreciated.

Personal Changes.

Dr. A. A. Miller, the present Resident Medical Officer, was appointed following the resignation of Dr. W. J. Walter.

Motor Ambulance Service.

The demands on the Hospital Motor Ambulance continue to be heavy. The Board wish to place on record their appreciation of the valuable assistance

with their ambulance rendered by the St. John Ambulance, Aylesbury Division, both at night time and in connection with urgent accidents.

Linen League.

The Board of Management desire to express their grateful thanks to all the Officials and Members of the Bucks Ladies' Linen League. A separate report will be found elsewhere dealing with the invaluable work performed by this Association.

Egg Week.

The response to the appeal during the Hospital Egg Week was almost overwhelming; an ample quantity to last throughout the year was received. The help of all those who contributed in any way to the total of 17,579 is very much appreciated.

The Board wish to make it known that gifts of Game, Fruit, Eggs and other produce will always be gratefully received at the Hospital.

Harvest Festivals.

The Annual Harvest Festival collections were made in the numerous Churches and Chapels throughout the County, and resulted in the sum of £369 being handed over to the Hospital. The Board of Management wish to thank all those who have helped in these collections.

Thanks.

In addition to those already mentioned who have been thanked for their services, the Board desire to express their sense of indebtedness to the following:—

To the Honorary Medical Staff for their generous care of the patients.

To the members of the Nursing Staff, working at times under considerable pressure, and to the Domestic and Administrative Staffs for their services.

To the members of the House Committee and the Monthly Visitors.

To the members of the Aylesbury Rotary Club for collecting vegetables and other produce, and for help in other ways.

To Messrs. Horwood & James for acting as Honorary Solicitors to the Hospital.

To Messrs. Thomas Field, Ltd., for keeping the Hospital clocks regulated and in running order.

Report of the Bucks Ladies' Linen League. 1931—1932.

President: Mrs. Leopold de Rothschild.

This is the twenty-seventh year of the Ladies' Linen League's work.

The expenditure amounted to £141: 0: 1, and the receipts to £144: 1: 4, which is very good in these difficult days. It is hoped that new subscribers will be found as the League has lost a number of helpers in the past year.

The Annual Meeting was held on May 9th, 1932, at the Hospital, and there was a most excellent display of work. 562 articles were bought and 447 made, making a total of 1,009 articles handed over to the Hospital.

The League has suffered the loss of two Vice-Presidents through death, Lady Smyth and Mrs. Garside, who will both be much missed. Miss Moore has resigned. We have been fortunate in getting Mrs. Robinson, Mrs. Brantom and Mrs. Bowers to carry on this work.

Special thanks are due to Miss N. Mackrill for the continued help she gives us, and to all for the great effort made in a difficult year. We hope that many new members will be obtained in the coming year as the needs of the Hospital are great.

FORM OF BEQUEST.

I give and bequeath to the Treasurer or Treasurers for the time being of the Royal Buckinghamshire Hospital, Aylesbury, the sum of

free of legacy duty, to be applied to the general uses of the said Hospital.

This Form can be readily adopted to Gift of Property of all kinds.

Report of the Surveyor.

24, Temple Street,
Aylesbury,
January 9th, 1933.

To the Governors of the Royal Buckinghamshire Hospital, Aylesbury.

Ladies and Gentlemen,

I have to report that I have made my Annual Inspection of the Hospital premises. The fabric generally is in a sound condition, but there are a few minor Repairs which should have consideration when the Annual Renovation is being discussed. The roofs, except for a few slates which require re-fixing, are in good order.

The drainage and sanitary arrangements are in a satisfactory condition and require little or no attention.

The boundary walls are in a reasonably good condition, and although the main front wall is somewhat out of the upright, I consider this to be in a safe condition for the present.

In connection with the Annual Cleaning for 1932, various cleansing and decorative works were satisfactorily carried out.

I have the honour to be,

Your obedient servant,

CHAS. H. WRIGHT.

Annual Subscriptions and Donations, 1932.

The Secretary would be glad of notification of any changes of address, etc., so that this List may be accurate.

(Revised Rules—February 1st, 1933).

Regulations of the Contributory Scheme for General Wards Patients.

1. A contributor of 1d. per week is entitled to treatment and maintenance. This applies to all persons of 16 years of age and upwards whose income is within the following limits:—

Single man or woman, £3 per week.

Married without children under 16, £4 per week.

Married with children under 16, £5 per week.

(This change only to affect present contributors after 1st January, 1936).

2. A married couple paying 2d. per week will, by payment of an extra 1d. per week (making 3d. in all), be entitled to treatment for all their children up to 16 years of age.

3. A widower or widow paying 1d. per week, will, by payment of an extra 1d. per week (making 2d. in all), be entitled to treatment for all his or her children up to 16 years of age.

4. Contributors to the Scheme will be entitled to be treated as private patients should they wish at 25 per cent. less than the usual charges for Private Beds.

5. Contributors from Towns or Villages where the Scheme has been in operation for three months or more will not be eligible for free treatment until they have been members of the Scheme for at least Three Months unless they can show some exceptional circumstances which prevented them joining sooner.

6. Non-contributors will in future be expected to contribute towards their maintenance while in the Hospital, but no payment will be expected from Old Age Pensioners or those proved to be quite unable to pay.

7. Each patient must be accepted by the Hospital doctor as suitable for Hospital treatment, and it is desirable that he should bring with him a note from his own doctor.

8. It must be understood that the Hospital Wards are for the use only of those who, owing to their financial position, cannot afford to be treated as private patients.

9. Contributors who have been members of the Scheme for three months and upwards and whose payments have been regular are entitled to—

Free In-Patient treatment in the General Wards.
Free Out-Patient treatment, including consultation by the Specialist,

provided that they bring a letter from their own Medical Attendant, and are deemed by the Hospital Medical Staff to be suitable cases. This rule also applies to In-Patients.

Contributors are *not* entitled to be supplied with Surgical Appliances *without* payment; a charge is also made for the use of the Motor Ambulance.

Children attending Elementary Schools are not entitled to treatment for Eyes, Ear, Throat and Nose or Teeth unless they are referred to the Hospital by the School Medical Officer.

10. Local Collecting Committees will be formed to give effect to the above Scheme. Contributors will pay their contributions to collectors appointed by the Local Committees. When Hospital treatment is required a contributor must show his Contribution Card to the Secretary of his Local Committee and obtain from him a form, which he must take with his Contribution Card to the Hospital. **The form will entitle him to free treatment subject to the rules of the Hospital.**

Note.—A patient attending for Dental or Ear, Throat and Nose treatment MUST bring a note from his or her Medical Attendant.

Regulations of the Contributory Scheme for Private Patients.

A contribution of 10s. 6d. per annum entitles the contributor to admission to the Private or Semi-Private Wards or Screened Beds in the General Wards at 50 per cent. below the charges for such beds, it being understood that the arrangements as regards Medical Fees for Private Patients be as at present (*i.e.*, the patients make their own arrangements with the Medical Adviser concerned).

A married couple paying 21s. per annum are both entitled to be treated as Private Patients as above, and a total payment of £1 11s. 6d. per annum will entitle the man, wife and family up to 16 years of age to be treated as Private Patients as set out above.

Each patient must be accepted by the Hospital Medical Staff as suitable for Hospital Treatment.
